## **Beaufort Academy Mission Statement**

Beaufort Academy is a community of learners in pre-kindergarten through grade 12. It is an independent coeducational college preparatory school that serves able students who are motivated to realize their true potential. The Academy is committed to developing the whole person within the framework of the Judeo-Christian tradition. Committed teachers promote honesty, integrity, and respect, while guiding students through a demanding curriculum. Beaufort Academy seeks to inspire in each student a sound sense of responsibility to the community and the environment, with the ultimate goal of instilling in its students a desire for life-long learning and achievement.

## **Athletic Department Philosophy**

At Beaufort Academy, we believe that the entire experience of competing, developing lifelong skills and healthy habits and teaming toward a common goal is invaluable in the growth of a human being. As a key part of the educational tripod of academics, arts and athletics, being a student-athlete enhances physical strength, stamina and coordination, teaches time management through the important responsibility of balance in meeting the myriad expectations of dedicated teachers and coaches, and grows one's sense of sportsmanship, fair play, the value of perseverance, practice, courage, sacrifice and supporting one's teammates through team or individual adversity. The meaning of commitment is embodied in many ways through the experience of team athletics at Beaufort Academy.

## **Athletic Chain of Command**

Headmaster

Athletic Director

Head Coach

Assistant / JV Coaches

Players

If there are any questions or concerns regarding any aspect of a player-coach relationship, the athlete should first contact the appropriate coach. If there is no resolution at this level, he/she should then move onward to the next level in the chain of command hierarchy, until resolution is achieved.

The chain of command is a step-by-step process bringing together the primary individuals for discussion purposes. Each level is in place in order to assist in the product of conflict resolution. Parents are also asked to respect this chain of command model regarding conflict resolution.

## Introduction

Interscholastic athletics can be a fun, rewarding and memorable part of the high school experience. While academics offer the primary source for formal education, athletics can contribute to the total value of that education in many different ways. Building upon the concepts of teamwork, fair play, sportsmanship, and self-esteem, athletics can help to provide for a well-rounded educational experience. Athletic participation is a privilege and not a right. To those who strive to succeed in the classroom comes the privilege to compete outside it.

Being an athlete or the parent of an athlete can be very challenging. Sometimes this relationship can become complicated due to the nature and structure of athletics in general. It is the intent of this Athletic Handbook to provide some insights as to the role and responsibilities that athletes and parents face and share, separately and together, in the realm of high school athletic participation.

The high school sport experience is much different than the recreational sport experience. Whereas recreational sport philosophy stresses equal participation by all, at the interscholastic level playing time is earned and not guaranteed. Student athletes earn playing time through good work ethics in practice, skill development, sportsmanship and overall team attitude.

Likewise, not all who try out for a given team will endure the final selection process to make the team roster. The coaches are responsible for the selection of the team rosters and for the determination of playing time for those on the team. Activities held in the off-season, whether it is for weight training and conditioning, team camps, summer / fall leagues, specialized training, or any other type of out of season participation, can in no way affect a student-athlete's ability to try out for or participate on an in-season team. Participation in any out of season activity is strictly voluntary on the part of the athlete. Coaches may not mandate nor pass judgment based upon out of season participation.

A parent reserves the right to send his/her child to any out of season source for the purpose of conditioning, training or specialized instruction. Participation in Beaufort Academy based out of season opportunities are simply that: opportunities.

## **Section A: RELATIONSHIPS**

### **Player-Coach Relationship:**

All too often during athletic events, situations arise where many adults become too involved in the game in progress, professing to know more than the coaches or even the officials in charge. While this expertise may heighten a person's appreciation for a particular sport, it in no way changes the status of the individual as a parent-spectator. You should be there only to observe and enjoy the athletic performance.

The player-coach relationship is perhaps the most critical of all relationships in athletics. Parents can have a very profound effect upon this important and delicate balance. While you as a parent may not agree with all decisions that a coach may make, how and when he/she expresses his/her feelings can have a decided effect upon the child. If parents express a negative opinion in front of the child, he/she needs to remember that he or she may carry such convictions to the next practice or game. This in turn can lead to a player-coach confrontation. Parents have great influence upon this delicate relationship. Please allow the coaches to do the job for which they were hired.

### **Parent-Coach Relationship:**

As a parent you obviously want what is best for your child. Allowing the coach to guide and instruct the team is crucial. Again, you are asked to please allow the coach to do his/her job.

Should you have any questions or concerns, do not approach the coach immediately after a game. At this time, coaches have other responsibilities, and it may be a very emotional moment. Call and make an appointment for a later time and approach this meeting in a calm and logical manner.

For many coaches, one of the post-game responsibilities is to meet with his/her players. Athletes should not be expected to stop and talk to parents and friends immediately after a game is over. These team meetings are essential to the learning process and are important in efforts to build team unity and understanding.

### **Parent-Player Relationship:**

Being positive and supportive as a parent is very important, but adding pressure and unrealistic expectations may be extremely harmful. Allow your child to enjoy and to grow and to take responsibility for his/her athletic experiences. Encourage your child to give 100% effort and to become a team player, this will go far in preparation for adult life. In the end, it is the child's perception of the game and learning experiences that really matters.

### **Relationship with Game Officials:**

It is often the case that if a game is seemingly leaning toward one side over the other, irate fans will infer an unfair advantage given by the officials. The home school does not select the officials. A sport commissioner assigns all officials and neither team has a say in which officials are assigned to a given game or contest.

Game officials agree to and follow a code of conduct and ethics. They really do not have a vested interest in which team emerges victorious. It is very essential to understand that officials are an integral part of the game.

While you may not agree with all of their calls, please do not harass and taunt game officials. Parents are supposed to be good role models for their children. Remember that officials are in charge of the game and have complete authority to have unruly spectators removed. Coaches, athletic directors and school administrators work hard to establish good working relationships with game officials; this relationship can be easily damaged or destroyed by spectator interference.

Our goal is for the players to play, the coach's coach, the officials to officiate, and the spectators enjoy the event...

## **Section B: RESPONSIBILITIES**

### **Responsibilities of the Student-Athlete:**

Student-athletes are expected to adhere to the following guidelines:

1. The team's goals and success should always come before individual interests.
2. Student-athletes need to be in attendance at all scheduled practices and games.
3. Student-athletes must be receptive to coaching styles.
4. Team members are responsible for all issued uniforms and equipment.
5. Student-athletes are responsible for the security of all personal items.
6. As a team member a student-athlete must abide by established team rules.
7. All injuries must be reported to the coach.
8. Strive for academic success in order to assure athletic eligibility.
9. Take pride in being a student-athlete at Beaufort Academy.

\*\*\*\* It is important to remember that participation on an athletic team is a privilege and not a right. Being part of and maintaining one's membership on a given team means accepting all the responsibilities of an athlete. Unlike recreational or intramural teams, equal or guaranteed playing time is not assured. Coaches will make the necessary decisions and utilize those players best suited to the conditions or demands of the particular contest on any given day.

### **Responsibilities of the Coach:**

Coaches are responsible for all of the following:

1. Running fair tryouts and using an effective evaluation process.
2. Determining the style of play, including offensive and defensive philosophy.
3. Teaching, instructing, and overseeing all practice sessions.
4. Determining starting lineups and making decisions regarding playing time.
5. Selecting position players.
6. Establishing and enforcing team and school rules.
7. Selection of team captains.
8. Coordinating communication with players and parents with regards to games and practices.
9. Provide appropriate supervision at all times (before, during, and after all games and practices).
10. Presenting themselves as appropriate role models.
11. Be willing and available to discuss player-coach or parent-coach issues.
12. Be consistent, fair, and respectful of individual differences.

### **Post Practice – Game Responsibilities:**

Student-athletes should not be loitering on school property after practices or games. In an effort to avoid potential risk of injury, property damage, or theft, the following responsibilities have been established.

#### **For the Coach:**

1. Call in game results.
2. Secure all equipment, locker rooms, and appropriate facilities.
3. Supervise locker rooms, lobbies and hallways until all athletes have vacated.

#### **For the Student-Athlete:**

1. Arrange in advance for transportation after practices or games.
2. Leave school property within one half hour after the end of practices / games.
3. Do not leave personal property unattended or unsecured.

## **Section C: SPORTSMANSHIP**

### **Sportsmanship: The School's Role:**

It is the expectation of Beaufort Academy, and more specifically the Athletic Department, that everyone in the Beaufort Academy community will conform to and demonstrate good sportsmanship and fair play during all athletic contests. This concept is presented to the staff and to the athletes throughout the school year.

1. At the coaches meeting sportsmanship is addressed with all current year coaches.
2. The Athletic Director and Headmaster will discuss Beaufort Academy expectations regarding sportsmanship with each team after team selections.
3. The student body is reminded of sportsmanship at all Pep Rallies and other athletic activities.
4. The Blue and White Club is addressed as to the need for good sportsmanship.
5. The sportsmanship slogan is posted and announced at all home games.
6. Student-athletes sign a "Student-Athlete's Pledge" form.

\*\*\*\* The Athletic Department at Beaufort Academy views the need for good sportsmanship as a very important issue. We will continue in our efforts to assure that every student-athlete understands that need as well.

### **Sportsmanship: The Parent's Role:**

Since the concept of athletics should be educational in nature, it is important that all parents demonstrate good sportsmanship and serve as role models for our students and athletes. *"Sportsmanship is an overt display of respect for the rules of sport and for all others – players, coaches, officials, and fans". (National Federation News, March 1995, p.10)*

It also involves a commitment to fair play, ethical behavior, and integrity. This means that:

1. Vulgar or inappropriate language from fans is not tolerated nor permitted.
2. Taunting or trash talking with opponents or with their fans is not tolerated.
3. Spectators may not leave the bleachers or step onto the court or field of play during a game or contest.
4. Fans should be supportive and positive. Cheering should be done for our team, not against our opponent.
5. Fans should not interfere with the opponent's cheerleaders preventing them from leading their cheers.
6. Fans should let the officials officiate. Remember it is after all, only a game.

## **Section D: PARTICIPANT INFORMATION**

### **Risks Associated with Athletic Participation:**

The very nature of athletic competition provides for potential risk and injury to occur. Even with protective equipment, proper supervision, and sound instruction, injuries still do happen. In extremely rare cases, even death could result. All student-athletes and parents need to be aware of the potential hazards that exist within the athletic arena. We in Beaufort Academy Athletic Department will always do whatever we can to ensure that our athletes have a safe and healthy athletic experience.

### **Pre-Tryout Eligibility Checklist:**

Student-athletes and their parents have certain responsibilities to uphold even before tryouts begin. All of the following requirements must be satisfied before any student will be allowed to tryout, practice, or participate on an athletic team at Beaufort Academy.

**Physical Examination Form:**

This form must be completed, signed by the parents/guardians and the physician and submitted to the Athletic Director to be kept on file. Student-athletes' must have a "current year" physical exam form on file in order to be cleared and eligible for athletic participation. It is suggested that physical exams be scheduled over the summer months so the entire school year will be cleared for athletic participation. SCISA rules state that every student-athlete must have a completed physical before he/she is allowed to participate, play or practice.

1. Physicals are valid if they are within one calendar year; or
2. The physical was performed after April 1, 2011. A physical dated after April 1, 2011 will be valid for the entire 2011-12 athletic year.

**Athletic Permit Form:**

This form must be completed and signed by the parents/guardians. Sports to be played should be indicated as well as all applicable insurance information. This form should be submitted to the Athletic Director.

**Student-Parent Compliance Form:**

Both the student-athlete and his/her parents/guardians as evidence of reading and understanding the information contained in the Athletic Handbook must sign this form. Student-athletes who tryout and are selected as team members must bring this form with them to the pre-season meet the coaches night for their sport. This meeting is mandatory for team members and their parents. Failure to attend this meeting and to submit this Compliance Form will result in the student-athlete being rendered ineligible for participation.

**Sport Tryouts:**

1. All pre-tryout checklist eligibility items must have been completed.
2. All student-athletes should be given a fair and equitable tryout evaluation.
3. Coaches should utilize an evaluation tool in order to keep track of strengths and weaknesses of those trying out for their sport.
4. Efforts evaluated over the tryout period are the most important factors used to determine team selection. Out of season workouts, camps, or other sport participation are not considered as criteria for selecting team rosters.
5. Not everyone who tries out for a team will make it through to the final selection process. Coaches are responsible for selecting final team rosters and determining playing time during the season.

**Expectations of Rostered Players:**

All student-athletes, who after tryouts, are selected as final rostered players must agree to the following:

1. Agree to sign the "Student-Athlete's Pledge". As a rostered student-athlete you are expected to serve as role models for others. Efforts in the classroom are just as important as efforts on the field. Respect and responsibility go hand in hand. You lead by example when it comes to sportsmanship.
2. As a rostered student-athlete you agree to comply with all school and team rules
3. As a rostered student-athlete you agree to maintain academic and disciplinary eligibility throughout the season.

**Practice Sessions and Games:**

Practice sessions may be closed to spectators at the discretion of the coaches. These sessions are the equivalent of a teacher's classroom and there is real instruction taking place. Interference and interruptions to an athlete's concentration and focus in practice cannot be allowed any more than a disruption would be tolerated in an academic classroom. Coaching should not be compromised.

**Practice Sessions:**

1. May last up to, but not more than two and one half hours.
2. May start and end at different times due to the schedule of coaches and or the availability of our facilities.
3. Will not be held when school is dismissed early or closed due to inclement weather.
4. May be held in the evening and over holiday break periods.
5. Attendance is mandatory. Lateness will not be tolerated.
6. Athletes may not be penalized for missed practice time in order to gain academic help or to make up missed tests or quizzes.

**Eligibility: Academic or Disciplinary Procedures**

Athletic eligibility is determined at the end of each trimester. Students will be classified as ineligible when they have a cumulative trimester average below a "C-" and/or have a grade lower than a 70 in any subject for the most recently completed trimester. Ineligible students will not be allowed to play or travel with the team. A student who fails a course in the third trimester will be ineligible beginning the first trimester of the following year. Eligibility will be reviewed at the mid-term of each trimester. Ineligible students have the opportunity to be classified as eligible if they have a cumulative average of at least C- and do not have a grade below 70 in any subject at the mid-term. Eligibility is not restored until the day interim reports or report cards are released. Students who do not meet these criteria will remain ineligible for the remainder of the trimester.

Academically ineligible students will be allowed to try out for any sport. The Director of Athletics and coach of that sport will determine whether or not the student will be allowed to make the team. The decision will be based on the student athlete's potential eligibility date, the pint in the season, and other aspects of the team chemistry.

A player not eligible at try-out time because of medical problems may be given an opportunity to join the team later at the coach's discretion.

Students who miss any portion of school on the day of an athletic contest and performing arts presentation will not be allowed to participate in the contest or presentation. Exceptions may be granted by the administration for legitimate reasons and such exceptions must be pre-approved.

\*\*\*\* Please refer to the Student Handbook for specific interpretations of all Academic and Disciplinary Eligibility procedures, regulations and SCISA Rules and Regulations.

**Uniforms and Equipment:**

At the beginning of each season, the head coach distributes all necessary uniforms and equipment. As a student-athlete you are responsible for the care and return of all issued goods at the end of the season. The head coach will determine the collection times. Failure to return uniforms or equipment will result in an extracurricular ineligibility and a financial obligation for replacement of the outstanding items.

**Changing Teams:**

In fairness to coaches and team members, a student-athlete can leave one team and join another but only after the following conditions have been satisfied.

1. Any player cut from a team during tryouts may immediately tryout for another team if that team has not already completed its scheduled tryouts.
2. Any player quitting a team must have the original coach's approval to try out for another team. All uniform and equipment obligations must be met before approval can be given.
3. Any player quitting a team cannot participate in any other sports preseason activities until the original sports season has concluded.
4. Any player dismissed from a team must have the original coach's and the athletic director's approval before joining another team.
5. Any player who quits one team prior to the end of the season cannot tryout or participate on another team unless they have the permission of the original team coach and the athletic director.

**Transportation:**

Student-athletes must travel as a team to athletic contests, on the bus if available. Once a game is over student-athletes are expected to return to school as a team, on the bus provided. Proper behavior is expected of all student-athletes when on bus trips.

The only exception to this rule is if parents wish to take his/her own child home with them. Arrangements must be made in advance if a parent will be transporting someone else's child. The coach must receive written notice from the other parent at least 24 hours prior to the event.

**Off Site Practices and Games:**

In some sports off campus facilities may be used. Transportation is an issue that must be organized and planned. Beaufort Academy cannot provide daily transportation for these activities so parental assistance from those on the approved driver list, coaches as drivers, or individual driving may be necessary. Again, parental permission is essential in response to any transportation issues outside of normal team transportation.

**Early Dismissals:**

For some athletic events students may be dismissed from school before normal dismissal times with administrative approval. Early dismissal from classes for athletic reasons does not release student-athletes from class-work responsibilities. Each student-athlete must make arrangements for getting assignments, taking missed quizzes or tests, and/or handing in homework. Student-athletes will have 15 minutes from dismissal until bus departure.

**Lateness / Absenteeism:**

As per the Beaufort Academy Blue Book, absence of more than four academic periods in one day will be considered as a full day's absence and the student will be unable to participate in extracurricular activities that day. This includes practices and games. A student-athlete who is dismissed from school early due to illness is also unable to return to school to participate in extracurricular activities that day.

A student-athlete will not be tardy to school following a game night unless they have a written doctor's excuse.

**Dress for Away Athletic Events:**

Students must wear only navy blue, light blue or white tops (golf shirt, oxford button-down, turtleneck) with khaki bottoms (cargo pants/ shorts are not permitted). The Lands End Clear Blue Plaid option is also available for girls.

Ties or bowties are **required** for boys and tops should be tucked in.

**Game Jerseys on Game Days:**

Student-athletes are allowed to wear their game jerseys to school on Friday home game days. All team members must be wearing the same top that was approved by the head coach. If the privilege is abused, all student-athletes will be in school uniforms every day unless otherwise advised.

**Injuries:**

Any time that a student-athlete becomes injured in a practice or game setting, the head coach should be made aware and an accident report completed by the coach and athlete. The Athletic Director should be advised of the injury by the coach. A visit to a doctor will yield a determined return to play date. No student-athlete will be allowed to participate further until that date is reached and a note of clearance is issued by the attending physician and received by the Athletic Director.

**Athletic Awards:**

Varsity letters and junior varsity certificates will be awarded to all team members who attain the criteria determined by the head coach and approved by the Athletic Director. Beaufort Academy will hold an All-Sports Banquet. In order to qualify for post-season awards the student-athlete must have completed the season in good standing and have fulfilled all team obligations, including return of uniforms and equipment. Attendance at these ceremonies is mandatory for students to receive their awards.

Each head coach may present awards at the annual banquet in the following categories:

- Most Valuable Player
- Most Improved Player
- Coaches Award
- Student-Athlete Award for Scholarship

**Other awards may be deemed appropriate by the specific sport head coach and approved by the Athletic Director. The head coach will notify the Athletic Director of the awards and recipients within two weeks of the conclusion of the season. The head coach will also identify student-athletes for special SCISA awards and assist in the nomination process.**

**Steroids:**

Beaufort Academy Athletic Department does not condone the use of prohibited substances such as steroids, nor support the use of other over the counter supplements which contain artificial or naturally occurring substances that increase heart rate, blood pressure, or promote unhealthy muscle tissue growth. Use of any of these products, which may be detrimental to a student-athlete, is a violation of the Athlete's Pledge.

**Drugs, Alcohol and Tobacco:**

School rules are very specific as to the use of drugs, alcohol and tobacco products. The use of or possession / distribution of any of these substances is forbidden. Student-athletes who violate this "no use" policy are subject to possible dismissal from athletic teams and the school. Use of any of these products, which may be detrimental to a student-athlete's health, is a violation of the Athlete's Pledge.

**Theft:**

Stealing will not be tolerated under any circumstances, whether it is from teammates, opponents, or others. Any student-athlete involved in a theft will be immediately dismissed from his/her team and normal disciplinary procedures will be imposed. This is a zero tolerance policy. Do not leave personal items unattended or unsecured in locker rooms or hallways. Students should take personal items to practice, if necessary.

**Fund Raising:**

Only school sanctioned fundraisers are permitted. All other inquiries regarding fund raising must be directed to the athletic director and headmaster.

**Blue and White Club:**

The Blue and White Club exists to support all teams of the Athletic Department at Beaufort Academy. The Athletic Director serves as the liaison between the Blue and White Club and the School. The Blue and White Club runs and promotes various activities in effort to support the athletic program and promote school spirit and pride. Parents are encouraged to join this organization and to become active members.

**Athletic Team Trips:**

Just as the classroom is designed to provide for an educational experience the realm of sports can also be very educational. At times, athletic opportunities provide for teams to take overnight and extended team trips. The experience of travel and the opportunity to compete make these events valuable additions to the overall high school experience.

Student-athletes are representatives of Beaufort Academy and as such carry a great deal of responsibility when teams travel. Best behavior is not only requested but also mandatory. All school rules apply when teams travel, and violation of school and team rules carry disciplinary consequences. Athletes should be sure to familiarize themselves with the Blue Book, regarding rules and consequences.

In order for a team to travel certain mandates must be specified. There must be a rationale of why the trip is being considered. There must be adequate and appropriate chaperones. Financial obligations must be determined and satisfied before the trip occurs. This includes travel days. The Athletic Director and Headmaster must approve all overnight trips.

**College Visitation:**

Student athletes are allowed, as excusable absences, one college visit during the Junior year and two visits during the Senior year. Students are responsible for any missed academic work during these visits. Coaches may not penalize an athlete for missing practice time due to a college visit.

**Hazing Procedures:**

The process of hazing, forced or coerced commitment of an unpleasant or undesired action, by members of a team or the coaching staff, is strictly forbidden. Hazing activities will carry a punishment to include, possible dismissal from a team by those involved, and any other stated disciplinary procedures established by the school.

***Section E: LEAGUE GUIDELINES AND INFORMATION***

**South Carolina Independent Schools Association:**

Refer to the addendum for specific SCISA rules and regulations. Parents and student-athletes can access all applicable league rules, policies and regulations by going to the following website: **[www.scisa.org](http://www.scisa.org)**

**SUMMARY STATEMENT**

It is our hope that all student-athletes will find their overall athletic experience to be worthwhile, enjoyable and a valuable contribution to the entire Judeo-Christian educational process at Beaufort Academy. You should be proud of your school, confident in your education, and satisfied with your athletic experience. If you can look back as a graduate of Beaufort Academy and feel good about the overall process, then we have been successful in nurturing your academic, spiritual, physical and emotional development.
