

October 21, 2011

The big news this week is the kick-off of Interim 2011 called the "The W.A.L.L. Approach-Wisdom and Adventure through Lively Learning". This morning course catalogs were distributed to all middle and upper school students. Parents can go online to www.bainterim.wikispaces.com to access all information related to this two-week event. Mrs. Reilly is available to anyone who needs help with the online registration. As a reminder, all students must register online for courses by next Friday, October 28th.

The rest of the week was equally eventful. The students in grades 1-5 mined for gems on Tuesday, Wednesday the student body wore pink in recognition of National Breast Cancer Awareness Month and Friday was Pride Day with students dressed in blue and white.

Tuesday and Wednesday the upper school class officers and SGA met with me for the Leadership Institute to work on a fundraising calendar for all student projects.

Tonight is Senior Night at the football game. Hope to see everyone there!

Campus was PINK on Wednesday in honor of Breast Cancer Awareness month!

The lower and middle school went mining for gems this week! Students mined for the gems and went back to class to learn the names and history behind the rocks!

2011
