

August 1, 2011

To All Beaufort Academy Families:

While Beaufort Academy is committed to providing a safe environment for your sons and daughters, including the use of modern athletic equipment and coaching techniques, accidents and injuries are bound to occur. To respond the medical expenses involved with treating injuries, Beaufort Academy offers the Dewar Student Accident Plan for the 2011/2012 academic year.

The program reimburses for medical expenses that arise from an accident in which a student is injured. This includes x-rays, hospital bills, physicians' fees, and laboratory costs; in short, any medical costs incurred and causing a loss as a result of an accident. Reimbursement will be made up to a maximum of \$1,000 for each accident.

The cost of participating for 2011/2012 is \$17.00 per student. If your child enrolls after February 1, 2012, the cost is \$8.50 for the remainder of the year.

The Plan is broad in scope with few limitations or restrictions. It provides excellent protection to cover all accidents, including all sports injuries, 24 hours a day, worldwide, for the full academic year. The program will pay expenses up to two years from the date of injury (one year for dental injuries).

The attached file fully describes the coverage. To enroll in the program, sign below and return this form to the Business Office by August 31. Student accounts will be billed in early September with the payment due on October 1. For late enrollees, please return the agreement within 1 week of start date. The charge will be included in the next billing cycle.

Sincerely,
Elizabeth Malinowski
Director of Finance and Operations
