BEAUFORT ACADEMY

To All Beaufort Academy Families:

While Beaufort Academy is committed to providing a safe environment for your sons and daughters, including the use of modern athletic equipment and coaching techniques, accidents and injuries are bound to occur. To respond the medical expenses involved with treating injuries, Beaufort Academy offers the Dewar Student Accident Plan for the 2009/2010 academic year.

The program reimburses for medical expenses that arise from an accident in which a student is injured. This includes x-rays, hospital bills, physicians' fees, and laboratory costs; in short, any medical costs incurred and causing a loss as a result of an accident. Reimbursement will be made up to a maximum of \$1,000 for each accident.

The cost of participating for 2009/2010 is \$18.00 per student.

The Plan is broad in scope with few limitations or restrictions. It provides excellent protection to cover all accidents, including all sports injuries, 24 hours a day, worldwide, for the full academic year. The program will pay expenses up to two years from the date of injury (one year for dental injuries).

The attached file fully describes the coverage. To facilitate enrollment in the program, **students will be automatically included unless you complete and return the detachable slip below to the Business Office on or before August 5, 2009.** This will serve as a waiver benefit offered by the Plan.

In light of our experience with student accidents, we recommend your serious consideration of this Plan.

Sincerely,

Elizabeth L. Malinowski
Director of Finance and Operations

STUDENT ACCIDENT PLAN – WAIVER FORM

I have read the details of the Student Accident Plan and I DO NOT wish to purchase the protection for

Name of Student(s)
My insurance carrier is _____ Policy # _____
Signed _____ Date _____

Print Name _____
